Name	Sue Starr
Category	Co-opted Governor
Background	I am a good Team Player. I like to list to all points of view and will make a reasoned contribution. My autistic 7 year old son and this has given me hope and an insight in to the challenges and strengths. I have also benefited in gaining more of an understanding of the challenges and strengths faced by children and their parents by working on the school's Parent Council and also with the Friends of Delamere Charity.
Governor Responsibilities & Involvement	I know Delamere has a very high standard and is constantly working to improve practices. I am keen to work and get involved in any way I can to support the pupils and staff to achieve the highest level of education for the children. This will be my first time as a parent governor. I am keen to get involved in the Governing Board and hope that my varied experiences will prove helpful to the school.
