25th June 2021 – Adventure Week

Dear Parents and Carers,

This week has been filled with adventures in one way or another for the children in Year 6. As we couldn't carry out our usual residential week this year due to the Covid Pandemic, we planned a week of different activities that would inspire, delight and challenge them in different ways before they leave us for secondary provision.

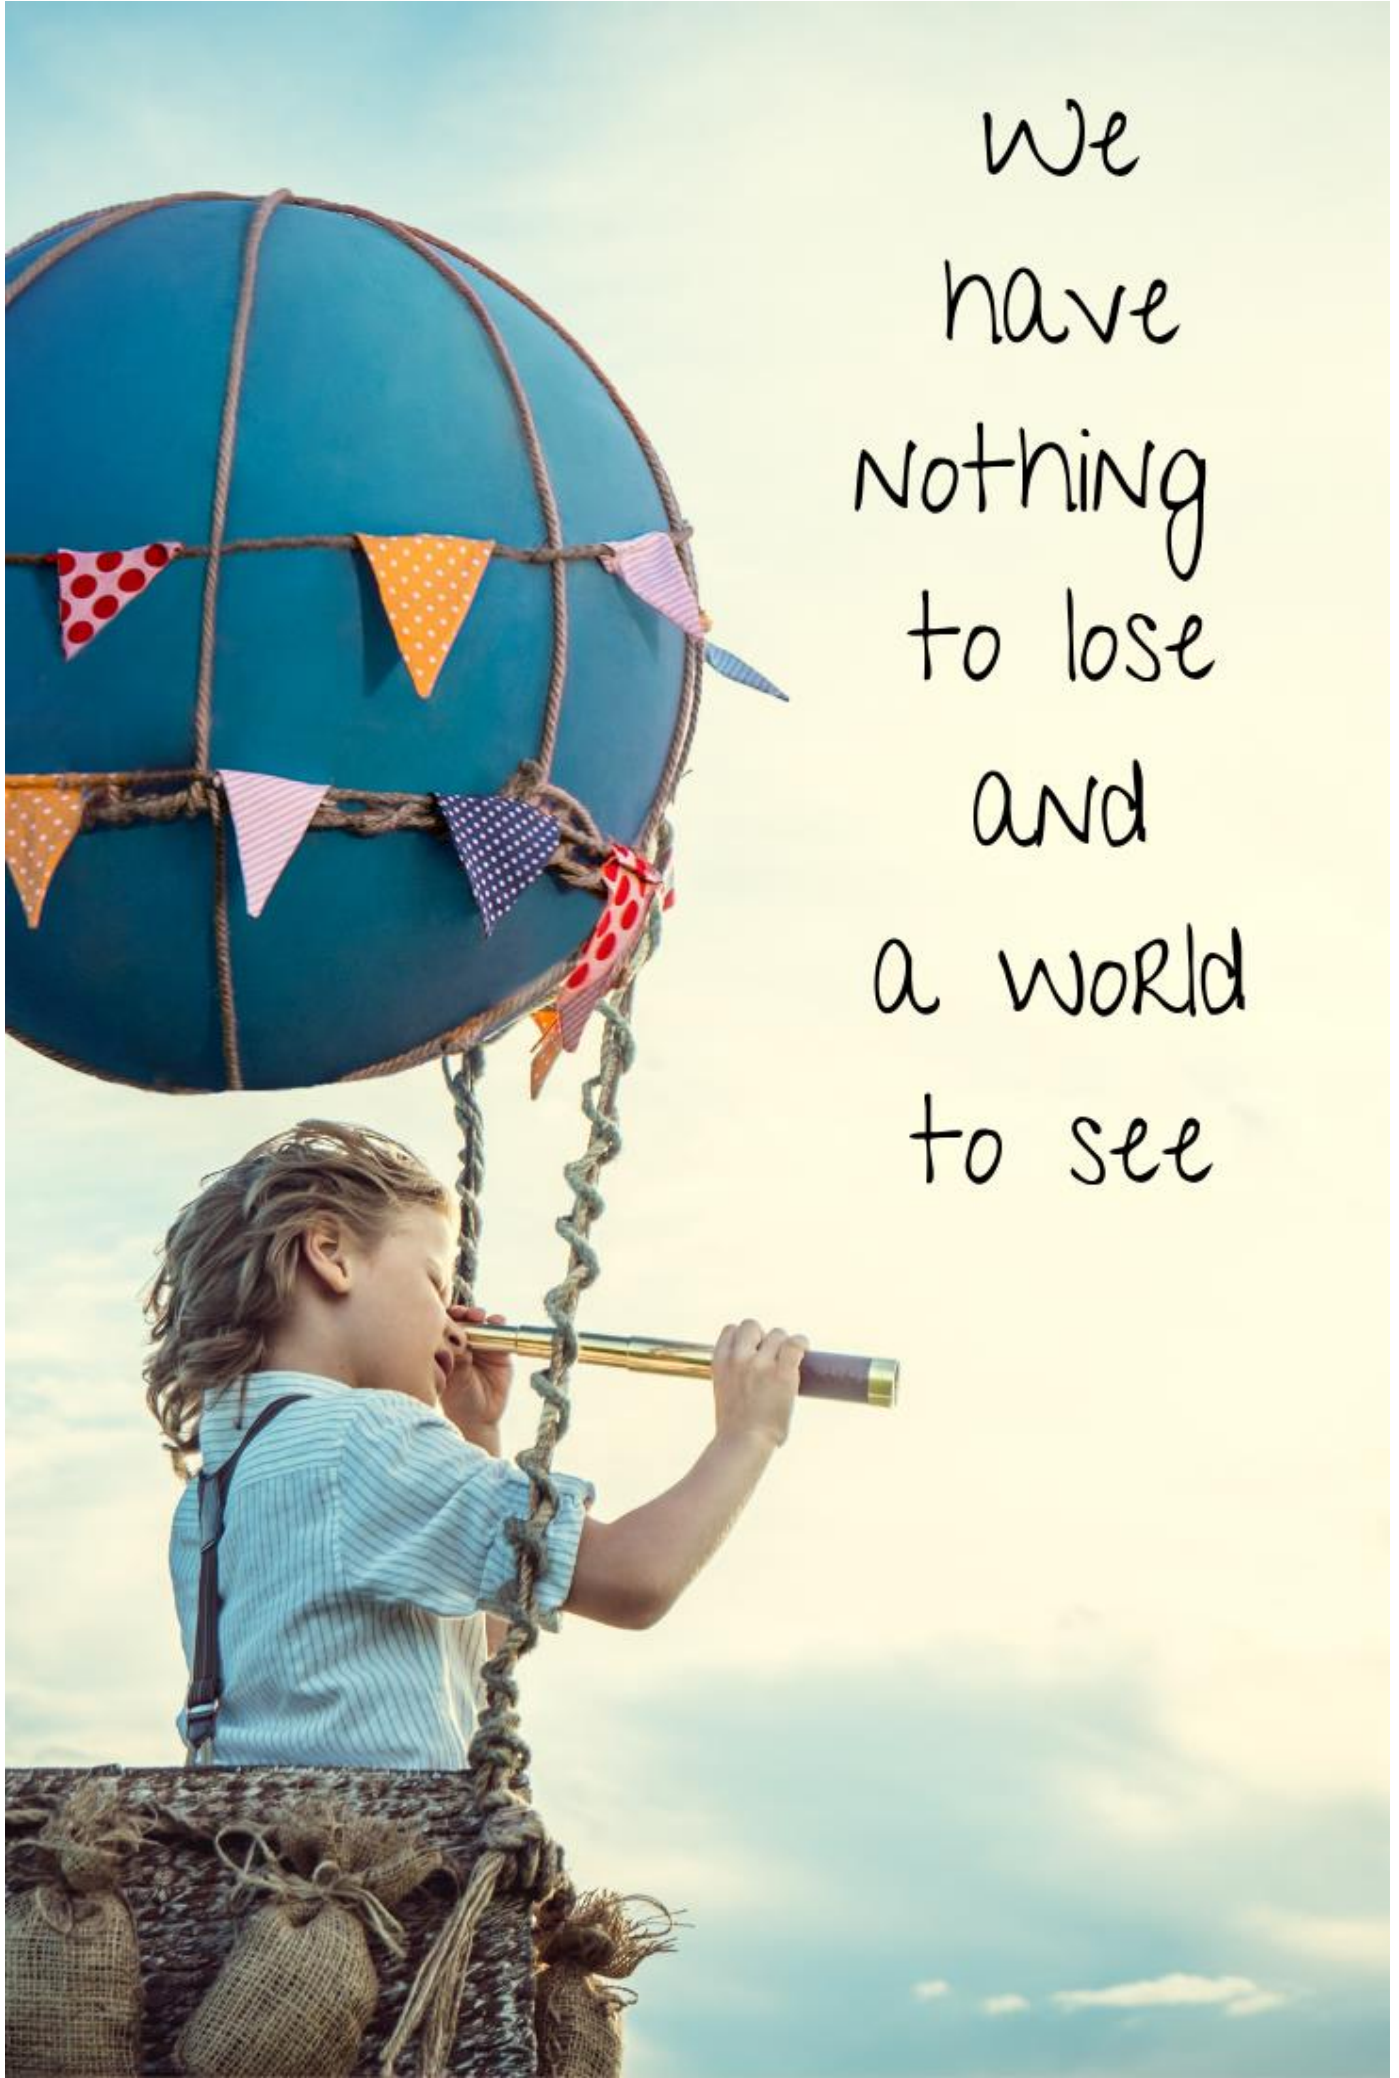

There has been canoeing, a barge trip, farm visits, den-making in the forest, and a sleepover! Despite the difficult time we are all going through at the moment, we still try to keep adventures happening at Delamere School and enjoy new experiences with the children. Huge thanks should go to Ben – our Outdoor Learning Teacher alongside all the staff and parents who have supported the children throughout the week and made it all possible.

My own adventure has been cycling to work this week as my car is in the garage - It has been scary at times and tiring, but great fun at the same time!

The children meet new challenges better than us I think, they have all been fantastic this week – we are really proud of what they have achieved and the way they approach adventure!

Have a look at our school website for more photos of the children and activities.

We
have
Nothing
to lose
and
a world
to see

You're off to great places
Today is your day!
Your mountain is waiting,
So get on your way!

DR SEUSS

Take care until next week,

Sally Burston
