18th June 2021 – New Arrivals

Dear Parents and Carers,

I have some fantastic news to bring to you this week – one of our longstanding teaching staff - Eleanor Sandbach has had a new baby!

I once heard a quote that said the great thing about babies is they are like little bundles of hope... like the future in a basket.

I love that quote and it encapsulates the optimism and energy that our children at Delamere bring to school with them every day. Regardless of the difficulties they face, children remain curious, hopeful and excited about the future.

We were lucky enough this week to have Bamboozle bring a special outdoor performance of their new show – The Firebird to our school. It was such a joy to watch the children's faces as they enjoyed the different parts of the performance. As the performance was split into three parts spread across the day, the anticipation gradually built, and the excitement about what was to come next steadily grew.

Huge thanks should go to the Bamboozle performers who gave so much to the children on a very hot day! In a time when theatre and live performance has been impossible for over a year, this event was a fabulous moment of optimism and hope for the future.

Take care until next week,

Sally Burston
