

TAG RUGBY WITH SALE SHARKS

In October I was approached by Georgie Lilly Perris-Redding, who is the Community Rugby & Inclusion Coach for Sharks Community Trust. She asked me if we would like some 'Free' tag-Rugby sessions in our school, of course I jumped at the opportunity. They came into our school, four Friday mornings 9th, 16th, 23rd and 30th November 2018. The two classes that took part were **Badger** class and **Squirrel** class. The coaches from Sale Sharks were absolutely brilliant and patient with both of these classes; every child really enjoyed these sessions and couldn't wait for the following week to come. Thank you Sale Sharks for introducing another sport to our school!!
