

Delamere Parent Council 2018

YOU SAID

1. Our end of year reports should focus on personalised progress and next step targets. You felt that focussing on solutions was important.
2. Holiday clubs would be really useful for families
3. We'd like to talk about sharing information about what support is out there and how we find out about it.
4. You would like to discuss school dinners, choice and strategies for children who have a restricted diet.
5. You felt the NSPCC Speak Out, Stay Safe project should be rolled out to all the school.

WE DID

1. We have designed our end of year reports around you feedback. We will send them out this year and then consult again.
2. Designed and sent out a questionnaire to all families to gauge interest.
3. We are taking forward the ideas discussed especially a parent buddy.
4. We put it on the agenda for a parent council meeting, having consulted with the school cook, Speech and language therapists and produced a top tips guide for those on a restricted diet.
5. We have initiated it with our more able children and are in discussions as to how to ensure the lessons are passed on to all our children.
