TABLE CRICKET AT THE LANCASHIRE CRICKET CLUB, EMIRITES, MANCHESTER

Lancashire County Cricket Club Foundation ran a Table Cricket Initiative, after receiving a small grant from Lancashire Cricket Board. The programme comprised of 3 sessions of coaching (Tuesday 7th, 14th & 21st November 2017), these sessions were followed by an inter-school competition in the fourth week (Tuesday 28th November 2017), at the Lancashire cricket club. The schools that took part were: Delamere School, The orchards and two teams from Leybourne. We reached the final of the inter-school competition, our pupils played magnificently, and we were narrowly beaten into second place by Year 6 pupils from Leybourne. Our wonderful pupils from Delamere were brilliant ambassadors for our school and all the staff, who attended, were so very proud of each and every one of them. Well done to our wonderful silver medallists.
