use, on body signing	reference, attention games	Engagement, responses,
Intent (independent): Signalong, Blank levels	Intent (independent): Symbol communication, colourful	Intensive Interaction, Early Play skills
	semantics, listening games	Intent (independent):

Expressive and Receptive Language, Early Play skills

 \downarrow

During contact with parents such as parents evening, annual reviews or visits into school, if communication is discussed and the teacher feels additional support is needed or visuals are given out the teacher will notify FLO and inform on of child's stage of communication.

Along side this #voicesandchoices is available through parentmail and any visuals given out are followed up by the teacher.

 \downarrow

FLO will send email to parent/carer with link to support videos. FLO will conduct a follow up phone call and where needed offer a joint home visit from FLO and SALT. If the child is not open to SALT FLO will refer to Communication Champion for additional support.
