

Together, we make a difference  
Newsletter: Structured Learners

Class: Frog

Spring 2024

Team: Adam, Karen, Lisa and Tina (PSW)

[arobinson@delamere.trafford.sch.uk](mailto:arobinson@delamere.trafford.sch.uk)

We ask for £10 contribution each term for healthy snacks and resources. Equally you are welcome to send your child's healthy morning snack in every day/weekly in your child's bag.

## Communication

We will have weekly streamed communication sessions where we will be building up relationships with our new classmates. We always use communication across all of our learning through using visuals, practicing our listening and responding skills taking turns in games with our peers.

## PSHE

Our PSHE topic this term is "health and well being". Frog class will be learning about the parts of the body through labelling, use of dance massage and using different parts of the body in P.E. They will also be working on dressing skills in P.E so can you please send their P.E kit into school. Their sessions will be on a Friday.

## Literacy

Our literacy focus this term is informational and general stories. We will be exploring a wide range of texts in a range of formats, including fiction and non-fiction in books, songs and interactive games.

## Maths

We will be focusing on number, time and properties of shape. We will be comparing numbers and looking at place value. We will be exploring lots of different shapes in and around the school and looking at their properties. We will also explore time and sequencing events.

## The Arts

Our art theme this term is drawing and painting. We will look at creating abstract art from artists like Alma Thomas before recreating our own versions of their work using a range of materials and computer applications.

## Humanities/Science

We will be focusing on locational place and knowledge in Geography, and light in Science. Frogs will be exploring the great outdoors, exploring where light comes from, rainbows and reflections.

## Equipment needed:

Daily—change of clothes, waterproof clothing & wellies.

P.E kit— this will be left in school until the end of half term

Wednesday—swimming kit. This will be in blocks and I will email parents individually as to when your child's block of swimming will be.

## Home Learning

Being outdoors opens up so many opportunities for exploration, developing intrigue and communication as well as helping to improve mental health. Try your own minibeast hunt on a local walk, or in your own back garden and talk about what you find.

Please continue to read with your child as often as possible; reading for pleasure is a fantastic way to share your time and learn new language.

## Key Dates:

**11th September: Meet the team event**
