

Together, we make a difference  
Newsletter: Structured Learners

Class: Frog

Spring 2025

Team: Adam, Karen, Lisa and Tina (PSW)

[arobinson@delamere.trafford.sch.uk](mailto:arobinson@delamere.trafford.sch.uk)

We ask for £10 contribution each term for healthy snacks and resources. Equally you are welcome to send your child's healthy morning snack in every day/weekly in your child's bag.

## Communication

We will continue with our weekly streamed communication sessions where they will work on their blank level targets; using descriptive words, using prepositions and talking about stories. We always use communication across all of our learning through using visuals, practicing our

## PSHE and P.E

We will be looking at relationships this term in PSHE, we will do this through recognising emotions, interacting with each other and sharing experiences. In PE we will be doing gymnastics, pupils will be exploring different ways of moving including balancing.

## Literacy

Our literacy focus this term is on science fiction and historical fiction. We will look at various texts on dinosaurs. We will focus on vocabulary, explore writing, explore character development and enjoy the love of reading.

## Maths

We will be focusing on number, measuring length and weigh and properties of shape. We will continue our work on subitising, number recognition and comparing quantities.

## The Arts

This term we will be exploring collage in our art sessions. We will explore the work from Henri Matisse and create our own collages inspired by his work. Beth, our music teacher will be taking our music sessions. We will be exploring music from different musical genres.

## Humanities/Science

In geography we will be exploring human and physical geography. We will be exploring different climates across the globe and looking at which animals live in those habitats. In science we are learning all about plants.

## Equipment needed:

Daily—change of clothes, waterproof clothing & wellies.

P.E kit— this will be left in school until the end of half term

Wednesday—swimming kit. This will be in blocks and I will email parents individually as to when your child's block of swimming will be.

## Home Learning

Spring is a great time to start planting. You can plant some seeds with your child and discuss what a plant needs. Your child can then observe the plant/flower blossom and grow.

Please continue to read with your child as often as possible; reading for pleasure is a fantastic way to share your time and learn new language.
